

SHERMAN E. BURROUGHS HIGH SCHOOL

9TH GRADE

COURSE SELECTIONS

NOTE: This worksheet is simply for informational purposes only. It is simply intended to help incoming BHS 9th graders (2021-2022 school year) to familiarize themselves with BHS curriculum and elective options.

ALL incoming 9th graders will take English, Math, Science, Geography*, Health*, and Physical Education (PE). In addition to required courses, 9th graders get one year-long elective, or two semester electives. Courses marked with an asterisk (*) are semester-long courses.

9th graders' English and Math courses are selected for the student based on past 6th – 8th grade grades, test scores, and current teacher recommendation. English and Math courses will dictate the science course.

Incoming 9th graders will only need to select their electives for the 2021 – 2022 school year. See 9th grade elective options below.

WORLD LANGUAGE – (CP)

341 Spanish 1

347 Honors Spanish 1

853 Spanish for Native Speakers

361 German 1

367 Honors German 1
